

**Shawnee Mission East
High School
Class of 1969
50th Reunion**

September 5 to 8, 2019

Shawnee Mission hail to thee,
Lancers we will ever be,
We stand behind our colors bright,
Columbia blue, black and white,
High schools days too soon are gone,
But fond memories linger on,
May our spirits be increased,
And God watch over SM East.

We threw our caps
into the air,
And off we went
to here from there -
We laughed, we loved,
we learned, we lost;
We understand
what life can cost
And after all
the time that's passed,
Perceptions change
as memories last -
And for the Class
of '69
High school's just
A state of mind.
And now fifty years
Where have they gone?
It doesn't seem
Like it's been that long -
Now we're grown up;
Dreams have become
Realities for us -
But for some
Life has ended
Too terribly soon,
Their yearbook smiles
An open wound -
They should have had
Those precious years
That came and went
In joy and tears -
To those times past
And our missing friends
Our tender thoughts
Return again -
May all our years
Be ones of peace
And bless this class
Of S.M. East.

- Susie Jackson Whitfield
